THE SPEAKER:

Anthony Jones is the National Account Manager at Cougar Systems. In this role, he partners with manufacturer representatives and industry organizations, such as ASPE/IUOE, across the country. Providing training, technical support, and real-world insights to help you confidently understand control panel solutions. Whether pre-engineered or fully customized, ensuring every system is understood, implemented, and supported.

If you have additional questions or needed information on his presentation, you can reach him at: ajones@cougarusa.com
