By: September 8, 2026

THE SPEAKER:

Director, PMG Technical Resources for the International Code Council (ICC), where he serves as a subject matter expert to the plumbing, mechanical, fuel gas codes, swimming pool & spa, and the private sewage disposal Codes (PMG). Having more than 28 years of experience working within the plumbing, mechanical, and construction industry. Holding a TX Master, Journeyman, and Inspector with Medical Gas & Piping endorsement plumbing licenses, an “A” Refrigeration License with a Combination for HVAC and Refrigeration contracting, and several ICC plan review and inspection certifications in various disciplines, the highest of which is that of a Certified Building Official (CBO). Most recently, prior to working with ICC, he served as Chief Building Official for the City of Fort Collins, Colorado.

If you have additional questions or need information on his presentation, you can reach him at: Randerson@ICCSafe.org.
